A handwritten signature in black ink, appearing to read 'Haro', with a horizontal line crossing through the middle of the letters.

CUMULATIVE COMMERCIAL LICENSES

WEBFONTS EXTENDED COMMERCIAL LICENSE

The conditions of this license accumulate to those defined in the previous sheet.

- User Single Commercial License conditions
- + Use allowed as webfonts up to 1 domains without limit of page views.
- + Install on their personal computers up to six (6).

Webfont Extended Commercial License Terms for your website.

A webfont license allows you to embed the font on your website so that it can be displayed in any browser. You will be serving webfonts for your own web linked to a CSS file using @ font-face. The formats of Webfonts allowed are: .otf, .ttf, .eot, .woff, .svg.

You can use a licensed WebFont on a single domain name (URL). You can not link WebFont files across multiple domains.

Each commercial webfont license can be used in a single domain and has no pageview limit. If you want to use the fonts in different domains you must buy a license for each new domain.

The agencies responsible for websites for several clients, for example, web design agencies or hosting providers, can not share a single webfont license for several client websites.

Licensed WebFont(s) are always displayed in a Web environment, through a browser and only for aesthetic reasons. They may not be used in any other way, for other platforms, including web servers for various domains, smartphones, gaming devices and machines such as PS4, XBOX, Wii, GameBoy, PSP, APPS or any other media and/or TV player intelligent.

EXTENDED COMMERCIAL LICENSE FOR EBOOKS

The conditions of this license are in addition to those defined in the "SINGLE USER LICENSE":

This license allows you to insert the fonts in publications intended for Kindles, iPads or other eReaders.

Each license is valid for a single title with no download limit.

The eBooks license is appropriate for file formats such as PDF, EPUB 2.01, EPUB 3 and KF8.

EXTENDED COMMERCIAL LICENSE FOR MOBILE APP

The conditions of this license are in addition to those defined in the "SINGLE USER LICENSE":

This license allows you to insert the fonts in your mobile application and distribute this on as many platforms as you want (iOS, Android and Windows Phone).

The limit of 50,000 app installations. To increase the number of facilities you can buy a new license.

The license is only valid for a mobile application. If you need to insert the fonts in new applications, buy one for each mobile application.

EXTENDED COMMERCIAL LICENSE FOR INTRANETS. UNLIMITED USERS

The conditions of this license are in addition to those defined above.

- User Single Commercial License conditions
- + Use allowed as webfonts up to 4 domains without limit of page views.
- + Installation of the fonts in a network without limit of computers.

These commercial license extend the number of installations, for unlimited users in the same computer network.

What is your refund and exchange policy?

All sales of licenses and fonts are final and refunds will not be granted, unless the product has unsurpassed technical problems.

Exchanges cannot be given. If you have technical problems with the fonts that render them unusable, we will do everything within our power to rectify the situation and provide you with a usable copy. If after 5 business days the issue is still unresolved, we give the option of a full refund. In order to receive this refund, you must destroy all copies of the font or fonts from your order in your possession, including backups.

Please check your cart carefully, as we are not responsible for a customer licensing the wrong font.
